

MyPark4You – Cookie Policy

This cookie policy explains what cookies are and how we use them.

You should read this policy to understand the types of cookies we use on our website.

What are cookies?

A cookie is a small (text) file that is stored by your browser on your computer when you visit our website. This information can be sent back to us during your next visit, allowing our website to recognize you.

Why do we use cookies?

Cookies ensure that the website operates quickly and that you can visit our website securely. Cookies also allow us to see how the website is being used and help us improve it.

What types of cookies do we use?

Essential cookies

These cookies are necessary for the website to function and enable you to use certain features of the website.

Statistical cookies

Statistical cookies help us understand how visitors use our website by collecting and reporting data anonymously.

Social media

Our website includes buttons for Facebook and WhatsApp. These buttons allow users to share pages on social media platforms. Social media platforms collect information through the code embedded in these buttons. We have no control over this process.

Through these cookies, social media platforms enable advertisers to target you. Regularly review the privacy policies of Facebook and WhatsApp to see what happens with your data collected through cookies.

How can I disable or delete cookies?

You can choose not to consent to the use of cookies. In your internet browser, you can also set cookies to be blocked. How this is done varies per browser, and most browsers provide instructions for this in their help function. If you block cookies, our website may function less effectively.

How can I request more information about the use of cookies?

If you have any questions regarding the use of cookies on our website, you can always contact us at the following email address: info@mypark4you.be
